

2011 Virtual/Rendering Design Contest Entry Form

Each year Iowa Jewelers gather from across the state for educational seminars and social events. Again this year, along with the Professional Design Contest, we will have the Virtual/Rendering Design Contest.

This allows jewelers to submit the design of a piece, without requiring that the piece actually be produced. This design, often referred to as a "rendering", can be hand-drawn, painted or computer generated.

Entry Guidelines:

1. All entries must be the designer's own original concept.
2. All entries must be designed by an employee of an IJA member store or Associate member. CAD pieces are welcome.
3. There is a \$35 fee for each entry, with each entry having a separate entry form. Please make copies if necessary. Add \$5, if not attending conference, to return the design to you. Entries must be received by the 8/5/11 deadline to be included in the contest.
4. All virtual designs (or renderings) must be drawn, painted or computer generated. No photographs will be accepted. Drawing submitted should not exceed 5" x 7" in size. Written description of the metals and any stones used must be detailed on entry form.
5. Each designer is limited to one virtual/rendering design entry.

Winners will be announced and virtual/rendering designs will be displayed on Saturday night at the 2011 Annual Conference. Attendees will also vote on a People's Choice award.

(One Virtual/Rendering Design Per Form Please)

Entrant's Name _____ Job Title _____

Store Name _____ Email _____

Work Phone _____ Fax _____
